

Upgrading the Pacific Highway Cooperook to Herons Creek (incorporating Cooperook to Moorland and Moorland to Herons Creek projects)

Progress update February to April 2009

The NSW Roads and Traffic Authority (RTA) has formed an alliance team with Thiess Pty Ltd and Parsons Brinckerhoff Australia Pty Ltd to design and construct a 33 km dual carriageway upgrade of the Pacific Highway from Cooperook to Herons Creek.

Construction works are continuing with the following work planned over the coming months

- Earthworks and drainage along the entire length of the project.
- Establishment of concrete batch plants at Forest Road and Stoney Creek.
- Bridge works and culvert construction throughout the project.
- Construction of concrete pavements along the project including, north of Hannam Vale Road, north and south of Johns River and north and south of Kew.

Traffic alterations

Traffic deviations scheduled to occur on the Pacific Highway:-

- Between Cluleys Road to north of Kew in February
- Between Forest Road and Pipeclay Creek in March
- North of Howletts Road to south of Johns River in April

Changes to traffic conditions

An 80 km/hr speed limit now applies across the length of the project. This will be reviewed as construction proceeds. Speed limits in construction areas may be further reduced during working hours. Please obey the signs to ensure worker and driver safety. The RTA apologises for any inconvenience caused and appreciates the patience of residents and motorists.

Construction hours

Construction occurs Monday to Friday from 6am to 6pm and Saturday from 7am to 4pm. Nearby residents will be advised of any construction work occurring outside normal working hours. During construction every practical measure is undertaken to minimise impacts on nearby residents and the environment.
